Empowering Alaska's youth to build the habit of daily physical activity

Who We Are

The Alaska Sports Hall of Fame (ASHOF) is a 501 c(3) non-profit organization established to (1) educate Alaskans and visitors to the state about the people, events, and moments in Alaskan sport, (2) honor and preserve the memory of significant people, events, and moments in Alaskan sport, and (3) promote a healthy youth population by providing activities that will inspire children to strive for success in their own lives. alaskasportshall.org

Healthy Futures is the signature program of the Alaska Sports Hall of Fame. With core programs such as the Healthy Futures Activity Log and support for youth recreational events and access to positive, physically active role models, Healthy Future empowers elementary-age youth to develop the habit of daily physical activity into their lives. healthyfuturesak.org
